A Million-Dollar Week: Eli Basch Secures Over \$1 Million in Client Recoveries

At Basch & Keegan, we take immense pride in our dedication to achieving justice and fair compensation for our clients. This November, co-founder Eli Basch demonstrated once again why he's a leading personal injury attorney in the Hudson Valley, securing over \$1 million in recoveries for three deserving clients in just one week.

Here's a breakdown of these impressive results:

Fall-Down Accident – \$915,000.00

In one of the firm's most notable cases of the year, Eli obtained a substantial settlement for a client injured due to unsafe conditions. This outcome will help cover medical expenses, lost wages, and more, providing a foundation for their recovery.

Motorcycle Crash – \$125,000.00

This settlement provided relief to a motorcyclist who faced physical and financial challenges after their crash. Eli's expertise ensured they received the compensation they deserved.

Slip & Fall Accident – \$60,000.00

A seemingly minor slip and fall can have life-altering consequences. Eli worked tirelessly to hold the responsible party accountable, securing a settlement to support our client's healing process.

These results are a testament to Eli's unwavering commitment to his clients and his deep understanding of personal injury law. Over his decades-long career, Eli has built a reputation for taking on challenging cases and delivering outstanding outcomes.

At Basch & Keegan, our clients' well-being is our top priority. Whether the case is big or small, we bring the same level of dedication and skill to every situation. Eli's million-dollar week exemplifies the firm's mission: Here to Help fight relentlessly for the injured and make a meaningful difference in their lives, since 1987.

If you or someone you love has been injured, trust the team at Basch & Keegan to provide compassionate, experienced representation. Contact us today for a free consultation and see why clients continue to turn to us for justice.

2080 Boxes of Stuffing Mix Donated to People's Place during 8th Annual Basch & Keegan Stuffing Drive

Basch & Keegan, LLP is thrilled to announce the resounding success of its 8th Annual Stuffing Drive for People's Place. This year, we collected a record-breaking 2,080 boxes of stuffing from generous individuals and local businesses throughout the community. In keeping with our tradition, Basch & Keegan matched each box of stuffing with a stick of butter, ensuring that People's Place had all the ingredients needed to provide complete Thanksgiving meals to families in need.

Basch & Keegan, LLP is thrilled to announce the resounding success of its 8th Annual Stuffing Drive for People's Place. In keeping with our tradition, Basch & Keegan matched each box of stuffing with a stick of butter, ensuring that People's Place had all the ingredients needed to provide complete Thanksgiving meals to families in need.

The stuffing and butter donations go directly to the Talkin' Turkey program at People's Place, which helps over 1,500 households—more than 4,000 people—prepare Thanksgiving meals in their own kitchens. This is the largest number of families ever signed up for the program, and we're proud to have met this growing need thanks to the incredible support of our community.

"We are overwhelmed by the generosity of our neighbors and local businesses," said a Marianne Greaves, Marketing & Community Coordinator at Basch & Keegan. "Together, we've made a tangible impact in the lives of thousands of families, ensuring everyone has a reason to give thanks this holiday season."

The success of this drive is a testament to the power of community. Together, we've made this Thanksgiving season brighter for families across Ulster County. We'd like to extend a heartfelt thank you to the individuals and the following local businesses who contributed to the drive this year:

Upstate & Litigate Season 2, Episode 3: The Love/Hate Relationship with Insurance Companies

This special episode marks the first time all three partners—Eli Basch, Maureen Keegan, and Derek Spada—sit down together to share their insights. From tackling the tricks insurance companies use to dodge responsibility to discussing outdated laws like New York’s Grieving Families Act, this episode pulls back the curtain on what it takes to fight for justice.

Whether you’re curious about the challenges of dealing with insurance companies, the role of persistence in winning cases, or how the legal system really works, you won’t want to miss this conversation.

New episodes of Upstate & Litigate are released the last Tuesday of every month.
