Million Dollar Week: Personal Injury Settlements Power Victory

Basch & Keegan is proud to announce that attorney John DeGasperi has achieved a major success this week for our clients, securing three personal injury case settlements that total \$1,060,000.00. John's tireless advocacy and legal expertise helped our clients find justice and recover from life-altering injuries.

This "million dollar week" not only highlights John's dedication to Basch & Keegan clients but also demonstrates the firm's ongoing commitment to securing maximum compensation for those we represent. We celebrate this milestone as another example of the exceptional results we strive to achieve in every case.

Six Figure Settlement on Medical Malpractice Case

We are thrilled to announce a significant victory for one of our clients, thanks to the unwavering dedication of Attorney Derek Spada and Paralegal Janna Wade. After three years of intense litigation, our team secured a six-figure settlement in a challenging medical malpractice case.

The case was resolved through mediation, despite no initial settlement offer, and after hours of negotiation. Derek and Janna's perseverance ensured that our client received the justice they deserved. We are incredibly proud of this outcome and the positive impact it will have on our client's life.
